

Wondering if you have a breed of dog that falls under the International Air Transport Association's (IATA) Container Requirement #82 Regulations for air travel?

The following is a list of **breeds or their mixes** that **will be turned away** at the airline upon check-in without an appropriate IATA 82 Compliant Airline Dog Crate.

Please check with your airline as each one may have additional breeds listed.

Six months and older or weighing more than 20 lbs are subject to proper kennel construction as described in **IATA Regulations**.

American Staffordshire Terriers  
American Bullies  
Ca de Bou  
Cane Corso (Italian Mastiff)  
Dogo Argentino  
Fila Brasileiro  
Perro de Presa Canario  
Pit Bull Terriers  
Presa Canario  
Tosa (or Tosa Ken)

**These breeds and their mixes must have reinforced kennels**
